Wishing Well |
| Now we are to be Mr & Mrs  
We don't need a wedding list of dishes  
We have two kettles, toasters and a microwave  
We require a house for which we have to save  
If you would like to give us a gift  
A cheque or voucher would give us a lift  
We like to think of it as our wishing well  
Which will be filled with your love and best  
wishes as well | We have been together a few years now  
We have pots and pans, linen and towels  
We have glasses and toasters, really quite a few  
So instead of more gifts we suggest this to you  
If it doesn't offend and it won't send you running  
What we would appreciate is quite simply money  
We know choosing gifts can be such a pain  
This way there's no chance of bringing the same |

#### WELL
**Wishing Well**
A home together we already share
Furnished with love, pride and care
So when we look at all we’ve got
We really do not need a lot

So we’d like to ask if you do not mind
For a gift of another kind
Instead of searching for inspiration
You can simply make a cash donation

As you place your gift in to the well
Make two wishes but do not tell
One is for us and one is for you
And trust that both will soon come true!

We have the toaster and electric iron
We have no gift registry or present list

And we would simply love to get a copy from you
Thank you for making our day memorable one

#### REQUEST
**Special Request**
Whilst in a foreign land, they’ve had many adventures grand
None of which could ever compare, to the wonderful love that they share

The couple will marry whilst travelling once more, while their family shall come to a foreign shore

The bride and groom have considered the options, guests bearing gifts will come to considerable exertions

Airline restrictions will also apply, to the bride and the groom when home they fly

So it is their request to them be kind, come as a guest but leave the boxes behind
